

## JMC CONCERTS | 2028–2029 Season **CALL FOR AUDITIONS**

We are now accepting applications from **classical, jazz or world music artists and ensembles to audition for our 2028–2029 JMC Concerts tour.**

Emerging artists and professional musicians (between the ages of 18 and 32) are encouraged to submit a concert project through video recordings, in which they tell us about their passion for music and entertaining audiences.

The choice of repertoire (approximately 80 minutes of music) should reflect the musicians' musical qualities and have a specific thematic idea of particular interest to them. A Canadian work is required in the concert repertoire. JMC is looking for interesting, innovative and inclusive programs. We encourage thoughtful proposals that connect with a diversity of Canadian audiences. The inclusion of underrepresented and/or marginalized composers is encouraged.

**We are seeking three concert projects for the 2028–2029 season, including instrumental proposals to mark the 200th anniversary of Schubert's death.**

**The JMC Concert tours are scheduled as follows:**

- Mid-November 2028 to late December 2028
- Mid-January to early March 2029
- Early March to late April 2029

Tours take place across Quebec, Ontario, and the Maritime provinces and require availability for a **consecutive period of 4 to 6 weeks**. This is an opportunity to perform in a variety of venues while discovering different regions of the country. All tour logistics are handled by JMC.
